It is not meant to be a definitive archival compendium of notable Emmy Awards achievements, of which there are many in specialized categories. Journalists who wish to inquire about categories of achievement that are not included in "Facts and Figures" should contact Louise Danton at the Television Academy's Awards Department (danton@emmys.org).

"Facts and Figures" is a document intended to address journalists' frequently asked questions as they prepare news stories about the Emmy Awards. It is not meant to be a definitive archival compendium of notable Emmy Awards achievements, of which there are many in specialized categories. Journalists who wish to inquire about categories of achievement that are not included in "Facts and Figures" should contact Louise Danton at the Television Academy's Awards Department (danton@emmys.org).
